

PROVA 1

1. Attività commerciale delle università.
2. Le voci di costo del Bilancio di una Università statale.

The School shall promote research and training activities in new disciplines, as well as initiatives designed to integrate different disciplines in order to make its own expertise available to the productive world. For this purpose, the School shall establish specific education curricula and launch collaborations with other entities, even through covenants and agreements and by establishing consortiums, foundations, associations, partnerships or other private law associative organisations, provided that they are organised and managed in a way which ensures the high scientific level of the activities performed.

PROVA 2

1. La gestione delle fatture d'acquisto in un Ateneo.
2. Criteri di contabilizzazione dei crediti. Esempi di crediti caratteristici del bilancio di una Università statale.

The Secretary General is responsible for the overall management and organisation of services in compliance with the general guidelines established by the Director and by the other governing organs of the School.

Upon the Secretary General are also the duties provided for by the current regulations concerning Public Administration management and the adoption of the related acts and measures, except those falling under the competence of the Director.

Prova informatica: Foglio 2

Handwritten signatures and initials at the bottom right of the page, including the letters 'GB' and 'Lg'.

PROVA 3

1. La gestione delle fatture di vendita in un Ateneo.
2. Contenuti della nota integrativa.

Evaluation of the scientific activities of the School with regards to the evolution of research in the international framework shall be performed by a collective body, called 'International Scientific Advisory Committee' (hereinafter referred to as ISAC) made up of scientists of acknowledged international prestige from outside the School who operate in the same research fields as the School.

Prova informatica: Foglio 3

Handwritten signatures and initials in the bottom right corner, including a large stylized signature and several smaller initials.

PROVA 4

1. Il ruolo degli atenei come sostituto d'imposta.
2. I proventi del Bilancio di una Università statale.

All the PhD Course students shall benefit from a scholarship, disbursed by the School from its budget funds or from external funds allocated by other entities. The School scholarships use funds provided by the Ministry or made available by agreements with public or private bodies, as well as other budget funds of the School, pursuant to the current national law and the internal regulations. The School can supplement study scholarships allocated by other entities if their amount is lower.
