# HPC: CHALLENGE THE PRESENT TO INNOVATE THE FUTURE

15 FEBRUARY

A dialogue between research, institutions and companies with the aim to analyse new HPC trends and needs and to act synergistically to be the best actors in the field in Friuli Venezia Giulia (and beyond).

14.00	Welcome, MHPC diplomas and best MHPC thesis 2017-18
14.30	<b>MHPC Today</b> Dr. Alejandra Foggia
14.50	<b>MHPC Yesterday</b> Dr. Giangiacomo Sanna, PhD
15.10	<b>Lectio Magistralis</b> Dr. Sauro Succi, PhD – Senior Researcher at IIT and Visiting Professor at IACS, Harvard University
16.00	Coffee Break
16.15	<b>HPC Round Table</b> in italian
17.30	<b>BeHPC</b> networking aperitif

The first part of the event will be focused on MHPC itself: the graduation ceremony of our students, the presentation of the best thesis, and a short speech by one of our best alumni. Then, Dr. Sauro Succi, PhD – Senior Researcher at IIT, Visiting Professor at IACS, Harvard University, and one of MHPC lecturers – will hold a lectio magistralis.

The event will end with the HPC Round Table, a round table moderated by a scientific journalist with the main stakeholders (current and potential) of HPC and Big Data of the regional and national level who have some kind of connection with our Master.

The event is free and open to the public.  
The HPC Round Table will be held in Italian.
